Jail

Presented the Jail Staffing Agreement. DOC Inspection like to have a signed document regarding the staffing of the jail with the county.

Motion by Silbert, 2nd by Fickbohm to approve the staffing agreement with the Bayfield County Jail. Motion carried (5-0).

Jail inspection was on 9/22/22 and it went well. She was impressed with the cleanliness of the jail. There will be a report in a few months to let us know any deficiencies. New washing machine was installed. We had to remove the old one by cutting it apart since it was too big for the doors. Working on the door controls with another company. May be able to keep the current doors going for a few more years. The roofing project started today. Still looking at an electronic monitoring system for inmate checks. Costs about \$5,000-\$6,000 to set up

Sheriff

Reviewed ongoing cases such as burglaries and the search for Seth Genereau. Made a conditional offer to a female for the deputy position. She will begin in the middle of October. We had one of our newer deputies complete FTO and they are now on their own. Fully staffed in dispatch and just completed interviews for the P/T Clerk at the front window.

Other Concerns: None
