Balsam Fir	163	29																							
Soil: Sand	Reforestation Code: NA	Tract Number: 44-14	Contract Number:																						
Topography: Gently Rolling																									

## Harvest Requirements:

- Sale being sold on a Ticket Scale Basis
- Sale boundaries consist of red paint line, blue paint line, roads, or a noticeable change in timber type.
- Overstory Removal Unit: Leave all purple marked trees and all conifer except merchantable balsam fir. Harvest all other merchantable trees 4" diameter and greater. Make an effort to protect all existing regeneration.
- Seed Tree Unit: Leave all purple marked trees and all conifer except merchantable balsam fir. Harvest all other stems 2" in diameter and greater.
- The line between the seed tree unit and the overstory removal unit is designated by the trail and red paint line.
- The blue paint line indicates private property. No equipment of felled trees may cross this line.
- Do not cut snags except for those that pose a safety hazard.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.
- If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
