Harvest requirements:

- This is a ticket sale.
- This is an overstory removal to release established oak, maple, and aspen regeneration.
- In order to protect established saplings, whole-tree harvesting and/or utilization of tops less than 4" diameter will not be allowed.
- DO NOT CUT hardwood trees marked with purple paint, and DO NOT CUT conifer. Minimize damage to saplings.
- CUT all other merchantable hardwood 6" diameter at breast height and larger.
- Sale boundaries are marked in red paint. Property line is marked in blue paint.
- Sale borders on National Forest to the south. Do not allow logging machinery or cut trees to cross the property line.
- Do not damage any survey monumentation.
- Purchaser must ensure that harvesting and hauling operations will not create a safety hazard to snowmobiles or to ATVs. During winter harvesting the snowmobile trail must be kept unobstructed and in a packed snow condition.
- Prior to moving equipment on to or off the sale area, scrape or brush debris and soil from exterior surfaces.
- All roads are in place. This contract requires county authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- Decking of wood along town roads will not be allowed without permission of Bayfield County.
- If planning to use the Forest Service road, please contact Bayfield County at least four weeks prior to sale activities. The permit may take up to four weeks to acquire.
