## Harvest Requirements:

- Sale includes multiple units: **Aspen Clearcut, Oak Seed Tree, Oak Shelterwood, Conversion Clearcut.**
- Sale will be sold on a Ticket Scale Basis and must be **WHOLE TREE HARVESTED.**
- Access is off Hesseys Rd.
- Sale boundaries are red paint lines and blue paint line. There is no red boundary line between the oak seed tree unit and the aspen clearcut unit. There is red paint line between the conversion unit and the other units.
- Blue paint denotes private property. No equipment or trees may cross the blue line onto private property.
- ASPEN CLEARCUT UNIT: Leave all trees marked with purple paint and red and white pine. Harvest all other hardwoods and conifers 2" and larger. Do not cut snags except for those that pose a safety hazard
- OAK SEED TREE UNIT: Harvest all hardwoods and conifers 2" in diameter and greater. Leave all purple painted trees and red and white pine.
- OAK SHELTERWOOD UNIT: Harvest all orange painted trees. Minimize damage to residual trees.
- CONVERSION CLEARCUT UNIT: Harvest all hardwoods and softwoods 1" in diameter and greater.
- This sale includes 4-6 trees that are painted with a purple "X" and are located in the aspen clearcut unit. Operator must fell these grouse trees above the purple painted ring and lay the cut tree on the ground as close to the high stump as possible. These trees will create ruffed grouse drumming habitat.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- Do not damage any survey monuments.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- This map is not a survey of the actual boundary of any property this map depicts.
