- Harvest Requirements:**
- Sale is a red pine thinning being sold on a Ticket Scale Basis
  - Sale boundaries consist of trails or abrupt timber type changes to young red pine or young jack pine.
  - Cut all jack pine 5 inches in diameter and greater and all orange marked red pine. Leave all hardwood stems.
  - Harvested pine cannot be kept on the Bayfield County Forest for more than three weeks from May 1<sup>st</sup> to August 31<sup>st</sup>.
  - Damage to residual stand must be minimized.
  - A snowmobile/atv trail runs along the west side of the west unit and borders private property. This trail cannot be used for any timber sale activity. A power line runs along the trail as well.
  - According to the Bayfield County Access management plan the existing roads within this sale are open to highway vehicle use. Upon completion of the timber sale these roads will be left open unless otherwise directed by the sale administrator.
  - Do not cut snags except for those that pose a safety hazard.
  - To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
  - Decking of wood along town roads will not be allowed without permission from Bayfield County.
  - If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale.
  - This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
