Harvest Requirements:

- This 16-acre sale is composed of a 4th thinning in a red pine plantation being sold on a Ticket Scale Basis.
- Sale boundaries are identifiable on the ground by abrupt changes in timber types (plantation edges).
- This sale is restricted to short-wood logging. Bayfield County may, at its discretion, allow pole skidding if the purchaser can demonstrate that it can be done without damaging the residual stand.
- PRESCRIPTION: Harvest all orange-painted red pine within the plantation areas.
- Minimize damage to residual red pine stand.
- Harvested pine cannot be kept on the Bayfield County Forest for more than 3 weeks from May 1st to August 31st.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces of the logging equipment.
- Decking of wood along town roads will not be allowed without permission from Bayfield County Forestry Department
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure. (refer to Section 17)
