Topography: Flat, slight slopes		4"= 1 Mile	Contract Number:	^Contains 90% Fir, 10% Spruce						

Harvest requirements:

- This is a ticket sale.
- This is required to be whole tree harvested. 1 in 10 tops must be left on site.
- Boundary is marked in red paint. Young hardwoods will form boundary on North end of sale.
- Harvest will be limited to dry or frozen ground conditions.
- Cut all aspen, maple, birch, ash, balsam fir, and spruce 1" and larger
- LEAVE all red oak, white pine, red pine, hemlock, and cedar.
- Do not damage any survey monumentation.
- Prior to moving equipment on to or off the sale area, scrape or brush debris and soil from exterior surfaces.
- Do not cut snags except those that pose a safety hazard to logging operations.
- All roads are in place. Logging road on east side of sale will be preferred access. This contract requires county authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- Decking of wood along town roads will not be allowed without permission of Bayfield County.
- During winter harvesting the snowmobile trail must be kept unobstructed and in a packed snow condition. The purchaser must insure that harvesting and hauling operations will not create a safety hazard to snowmobiles.
