Harvest Requirements:

- Sale is a red pine thinning being sold on a Ticket Scale Basis
- Sale boundaries consist of roads, trails or the edges of the plantation (No more orange marked trees)
- Harvest all merchantable aspen, hardwood, jack pine and orange marked red and white pine within the plantation.
- Harvest all merchantable timber within 50 feet of the centerline of Jackman Lake Road.
- This sale is restricted to shortwood logging. Bayfield County may, at its discretion, allow pole skidding if the purchaser can demonstrate that it can be done without causing damage to the residual stand.
- Harvested pine cannot be kept on the Bayfield County Forest for more than three weeks from May 1st to August 31st.
- The snowmobile/ATV trail must be kept unobstructed. If the sale is harvested in the winter the trail must be kept in a packed snow condition. The purchaser must ensure that harvesting and hauling operations will not create a safety hazard to snowmobiles or ATVs.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.
- If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
