Harvest Requirements:

- Sale is a clearcut being sold on a Ticket Scale Basis
- Sale boundaries consist of red paint line, blue paint line, or open field.
- The blue paint line indicates private property. No equipment or felled trees may cross the line.
- In both units leave all conifer and all purple marked trees. Harvest all hardwood stems 2" and greater.
- In the ash unit, the contractor must sever or crush at least 75% of the alder brush, as determined by the sale administrator, regardless of size to regenerate the alder for wildlife habitat.
- Do not cut snags except for those that pose a safety hazard.
- Sale operations may only occur when the ground is frozen unless written permission is granted by Bayfield County.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.
- If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- This map is not a survey of the actual boundary of any property this map depicts.
