## Harvest requirements:

- This is a ticket sale.
- Sale boundaries are indicated with red paint.
- Leave a 15-foot no-harvest buffer around all wet pockets, as shown on map.
- Harvest all hardwood 4" dbh and greater. Sever all hardwood stems 2" dbh and greater, except oak.
- Leave all conifer.
- Leave all snags except those that are a hazard to logging operations.
- This sale includes ten trees that are painted with a purple ring and a purple "X". Operator must fell and leave all trees marked with a purple "X". "X" marked trees should be cut above the purple ring and should lie as close to the high stump as possible. These trees will create ruffed grouse drumming habitat.
- Do not damage any survey monumentation.
- Prior to moving equipment on to or off the sale area, scrape or brush debris and soil from exterior surfaces.
- All roads are in place. This contract requires county authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- Decking of wood along town roads will not be allowed without permission of Bayfield County.
