Bayfield County is required to adopt new County Supervisory District maps based on the 2022 Census figures. The County developed multiple map configurations and proposed four maps as options at the September 28 County Board meeting. Proposed redistricting maps can be viewed at: <https://bayfieldcounty.wi.gov/1261/2020-Census-Redistricting-Committee>

The maps incorporate the 8% (1206) population increase in Bayfield County since 2010.

**Bayfield County has scheduled an additional meeting for municipal and public input. This meeting will be held in person and remote/virtually in the County Board room on Wednesday, September 29 at 4pm. Here is the virtual connection link:**
