Resource List for Homeowners Seeking Help

Updated 2/20/2020

Provider, Products, and Services Disclaimer

This list has been compiled by the ADRC of the North's Bayfield County branch office. This list is for reference by individuals needing assistance within Bayfield County. The ADRC does not refer individuals directly to any vendor, nor does the ADRC research or guarantee the quality, cost effectiveness or timeliness of the work performed by any business listed. Please use your best judgement when soliciting services from anyone.

Considerations for hiring for services:

- Ask for references
- Check with the Better Business Bureau (800-273-1002) or visit their website to search for other providers (www.bbb.org)
- Verify whether the company is insured, licensed, and/or bonded
- Some services must have permits and have specifications that must be followed according to city codes. Verify who will get these items and approval for work
- Get several written agreements or estimates that detail the work to be done, start & finish dates, cost & payment details.
- Do not make final payment until all work is complete
